Special Performance by iDance  
Tickets - \$65 Each  
Table of 8 - \$500

Jordan Strack  
Guest Master of Ceremonies

Our mission is to inspire the love of the performing arts through creative expression and to provide a connection to fitness and healthier lifestyles for individuals with developmental challenges and other special needs.

Funds raised on this night will go towards providing additional dance and fitness programs to children and adults with disabilities. Our goal is to expand our facility with construction of a learning center to introduce nutrition education and life skill programs to our individuals.
