## EXCITING SPECIAL OLYMPICS NEWS

### ANNOUNCING A NEW OPPORTUNITY FOR FLAG FOOTBALL!!

Lucas County Special Olympics will be offering flag football as a sport this fall. If you have signed up for the Unified UT flag football league you can also sign up for this opportunity. Since this is our first season, we will be working on skill building and learning the rules of flag football. If we have enough athletes signed up, we will divide into teams and eventually play games against each other. This will all depend on how many athletes are signed up. Practices will take place on Tues./Thurs. 5:30-6:45 at 1155 Larc Lane. We are working on getting some volunteers to help coach so if you know of anyone please call the Liz at 419380-5452 . If you are confused about this opportunity and have questions, please call Kelley at 419-380-5109.

### 2017 SPECIAL OLYMPICS OHIO STATE SUMMER GAMES

This past June 24th-26th ,67 athletes and 25 volunteer/ staff traveled to Columbus, Ohio to represent Lucas County in the State Summer Games. Mother nature did not cooperate on Friday as it poured down rain for hours in Columbus. Unfortunately opening ceremonies had to be postponed until Saturday and some events moved to Sunday.

day.

What was more impressive were the number of awards you all earned for us! We came back with 19 Gold medals, 25 Silver medals, 22 Bronze medals. Our modified volleyball team took first place as well as our relay swim team.

### Come on down to watch the High Noon Showdown!!.

## Additional Information

- Volunteers do not provide supervision. If you require 1:1 supervision for behavior, medical or dietary needs, it is required that you are accompanied by staff/parent.
- Physicals are current for three years. Athletes cannot train or compete unless they have a current medical form on file with us.
- If you have any questions please call Lisa at 419-380-5110
- Athletes are responsible for their own transportation to and from training sessions and competitions in Lucas County. Now that we have limited transportation, we are asking providers/families to help by taking their athlete to away games. We know not everyone is capable of this but if you are, it would be a huge help to us!!
