Representatives are available from 7 a.m. to 8 p.m., Monday through Friday and 8 a.m. to 5 p.m., Saturday or visit www.ohiomh.com. They can help you identify which managed care plan works with your doctors, pharmacy, and hospital, answer your questions about Medicaid and managed care, enroll you in a managed care plan and provide an interpreter if you need one.

We hope you make an active choice for your managed care, as it will make the coordination of your health care easier for you and your health care providers.
