

Team Registration

BPA Goalball Tournament

Come EXPERIENCE this DISABILITY AWARENESS event!!

What is Goalball?

Goalball is a team sport designed specifically for visually impaired athletes. The object of the game is to score a goal by rolling the ball into the opposite goal while opposing players try to block the ball with their bodies. Games will consist of 8 minutes of play with all players wearing eyeshades. Bells inside the ball help the players judge the position and movement of the ball. It is recommended that participants bring their own protective gear for the event (i.e. —elbow/knee pads, etc.) Eyeshades will be provided.

Do you think you have what it takes to compete?

If so, round up your teammates to sign up for this awesome double elimination tournament!
