

# Children's Community Supports SSA

## **Community Supports Service and Support Administrators (CS-SSA)**

work with youth ages 3 through graduation who are Board eligible to access supports in community to promote inclusion and community participation. The CS- SSA can support the journey through childhood with the goal of full community membership. The CS-SSA is a trouble-shooter, a problem-solver and a resource for the child.

## **How do we do this?**

- \* Developing a Person Centered Plan
- \* Collaborating with other professionals to move towards successful transitions in school and from school to adulthood
- \* Developing partnerships with community members to promote inclusion in existing community programs as well as develop new opportunities for children with disabilities
- \* Sharing resources with LCBDD staff to promote inclusive community opportunities for families
- \* Utilizing Specialized supports for social emotional challenges
- \* Utilizing Community supports to help foster growth and development
